

## CDK-410

CDK-410 is fabricated from steel and, at 7kg in weight, it is an extremely solid and robust unit. The insert, with adjustable coin and note dividers to make maximise capacity and with a carry handle to make transportation of the insert easy, makes it a very practical unit for all retail environments.

### FEATURES

- Removable plastic insert with 4 or 5 note compartments
- Removable coin section with 8 coin compartments
- Adjustable note and coin dividers to maximise capacity
- Large plastic carry handle on insert for easy transportation to the back office
- Dual posting slots for media storage
- 3 position release lock
- Microswitch for open/closed drawer status
- 3m RJ12 adaptor cable

### OPTIONS

- Painted black or beige finish
- Lockable lid for insert with red or green indicator to show if it is locked or open
- Interface: RS232 or USB
- Operating voltage: 12 or 24V
- Under-counter mounting bracket
