MioWORK ✳
A100/105

Mobile Data Collection

Introducing the new 5.88" touch screen tablet with integrated Opticon barcode reader from MioWORK. The A100/105 devices have a IP54 water and dust rating and are drop resistant from a one metre distance.

The 1D (A100) or 2D/1D (A105) reader has scanning capability for reading 1D and 2D barcodes making the products suitable within the Retail POS sector, warehouses and for delivery drivers.

The A100/105 includes 8GB internal memory, with up to 6 hours battery life and a 10-point sunlight-readable capacitive touch screen. These devices also come with dual cameras, microSD expansion and a powerful Samsung 1Ghz processor.

For maximum flexibility, the A100 and A105 uses the new standard in mobile computing, Android™ 4.0, making them fast, reliable and open, with data transferable to existing systems through Wi-Fi and BT3.0 + EDR integration.

Package contents:
- Device
- AC mains charger with UK and EU plugs
- USB to Micro USB cable
- Printed quick start guide
- Printed warranty & end user license agreement

Integrated barcode reader
1D or 2D/1D Opticon scanner.
