MioWORK ✳ Z100

Mobile Enterprise Computing

Introducing the new 6" lightweight touch screen tablet from MioWORK. The Z100 is the perfect handheld size measuring just 12mm in depth. Weighing only 320g, it can be comfortably carried all day.

The Z100 packs a high specification into a small package. It includes a 1GHz Samsung CPU, 512MB RAM, 4GB internal memory (expandable to 32GB by microSD) and a high sensitivity GPS receiver for accurate positioning when out of the office.

Flexibility is at the core of the Z100. Featuring Android 2.3, wireless, *Bluetooth*® and HD video output, it is easy to develop for and integrates seamlessly into existing systems. With up to 6 hours battery life, integrated microphone and dual cameras, the Z100 is ready for work.

Package contents:
- Device
- AC mains charger with UK plug
- USB to Mini USB cable
- Printed quick start guide
- Printed warranty
