DEFENDER SERIES

with iON Intelligence

iON INTELLIGENCE

- Intelligently automates the power management process
- Interactive app predicts when the smartphone battery will expire
- Lithium ion battery doubles the capacity of the device
- LEDs visibly indicate the power status of the case
- Three layers of rugged, patented Defender Series protection

EXTENDED 2X BATTERY LIFE

- 1450mAh lithium ion battery **doubles the battery life of the device**
- Front-facing LED indicators provide power status of device and case in 10% increments
- Included 4.2 mm Micro USB cable enables faster charging speeds
- iON Intelligence app automatically transfers power to device
- Eliminating guesswork, the app clearly displays power status for case and device separately

SUPERIOR PROTECTION

- Robust, 3-layer protection **withstands drops, bumps and shocks**
- Built-in screen protector guards against scratches
- Port covers keep out dust and debris
- Belt-clip holster/kickstand included
