LE ZENIO
INFINITELY ANDROID

OXHOO, always at the heart of what's happening... Equipped with an Android operating system, ZENIO gives you maximum flexibility and unbelievably fast performance.

With slim design , sleek and certainly robust with its aluminum construction .

A multi-touch screen 15.6 '' LED orientable by 0 to 90 ° ensures a very high brightness and high contrast. Featuring a motherboard equipped with a Quad Core processor fanless (FANLESS) .

This entire Android terminal has been optimized to make it the thinnest in the market.
