

VX 820 DUET

ALL IN ONE.

TIMES TWO.

Verifone's VX 820 DUET is the perfect combination – a stylish PIN pad along with a functional base to create a feature-rich countertop device. Together, merchants and consumers get everything they need in one device – on the advanced VX Evolution platform.

DUAL DESIGN, DOUBLED EASE OF USE.

- Dual-purpose design combines a countertop payment device with an ergonomic, programmable PIN pad
- Large, bright backlit keypad is exceptionally user-friendly
- 3.5" color touch display with graphics capabilities
- Base has compact footprint that securely cradles the PIN pad
- EMV and NFC-enabled to accept all payment types
