

## A Robust, Practical Cash Drawer

APG's Entry Level Cash Drawers, ECD, are a range of cost effective, highly functional cash drawers that offer excellent value for money. Carefully selected from a number of quality industry acclaimed manufacturers, the ECD range is perfectly suited to a variety of sectors, including hospitality and general retail, where a good performing cash drawer is appreciated but a heavy-duty lifetime is not expected.

The ECD410 model is a hard wearing cash drawer with a high volume insert accepting the majority of European currencies, therefore it is the preferred choice of leading retailers worldwide.

### **Durable**

Featuring a robust steel construction (at 7 kg in weight) & steel ball bearing rollers for a prolonged operational life.

### **High Capacity**

The removable insert can accommodate 4 notes and 8 coins. The adjustable note and coin dividers maximise the insert capacity while the 8 coin compartment section is also removable.

### **Multiple Storage**

The drawer provides further storage with dual posting slots under the insert for additional media items.

#### **Versatile**

The optional lockable lid provides safe and secure transport to the back office and features an indicator switch to show whether the insert is locked or open.

Lockable lid for insert (optional)

Lockable lid fits inside the cash drawer when closed
