

## Product Code

216012

## Name

Passive holder for Zebra DS3678

## Description

For all versions with pistol grip.

## Product Details

A robust mount for every day professional use in tough environments. Your device is held firmly in place within easy reach, providing a better and safer working environment. Fits all versions of the device with pistol grip.

Attach onto a Pedestal Mount. Made of Acetal/ABS plastic. Color: Black. Made in Sweden.

## Installation Instructions

Please read all of the instructions and look at the pictures before attaching the mount.

1. Attach the mount: Place the mount into the desired position and attach it with the enclosed screws.
2. Put the device in place: Hold the device above the mount. Slide/press it straight into the mount so it is properly held in place.
3. Remove the device: Pull the device straight out from the mount.
4. The mount is in place.
