

Compact and agile, offering great manoeuvrability

The every day mobile workstation range offers a robust solution that pays for itself.

With a smaller design, the **MWS750** is great for retail environments or tighter warehousing spaces. Bring your mobile environment with you throughout your whole workspace.

Advantages

- › Rugged mobile workstation
- › On-board power (240 volts) available to run your IT equipment
- › Hot swappable lithium batteries
- › Compact design for a reduced footprint
- › Fast return on investment
- › PC tray and VESA monitor mounts
