Consistent

Built with the same quality, reliability and form factor that customers have come to expect from the Motorola MC70 products, the PSCMC75UE cradle adds flexibility to the latest generation of Motorola MC75 Enterprise Mobile Computers.

Broad Support

Migrating from legacy handheld devices to newer technology can be a logistical challenge. Intelligent, flexible accessories such as the PSCMC75UE cradle by Portsmith can help smooth the bumps in the transition. With Support for the MC70 Series, as well as the MC75 Series, this cradle covers the gap as you upgrade your fleet.

Charge and Manage

Having the ability to charge and maintain a network connection, the PSCMC75UE allows network administrators to download data and updates while the devices charge for the next shift.
