

TabPOS TabPrint™ Curve

Tablet Solutions

All in one TabletPOS solution

A simple, cost effective all in one TabletPOS mounting solution compatible with SpacePole's range of TabPOS frames, and a range of printers from the leading manufacturers, along with the modularity to add payment devices, customer displays or a second screen.

Compatibility

One universal mount compatible with tablets from Apple, Samsung and other manufacturers, and our range of TabPOS® mounts

Features

- **Modular:** Integrated setup for adding payment terminals, customer displays and second screens
- **Compatible:** Designed for use with our range of tablet frames, TabPrint Curve will support all standard tablets from 7" up to 13" Pro format
- **Flexible:** Available in two sizes to support a wide range of printers from all the major manufacturers.
- **A focus on quality:** Laser cut metal construction ensures reliable and consistent operation

Benefits

- **Customer engagement:** Tablet can be flipped between operator and customer
- **Investment protection:** Easy tablet upgrades and printer swap outs
- **Optimized design:** Small footprint: TabPrint Curve keeps all POS hardware within one solution
- **Design it your way.** Modular and customizable, add peripherals and accessories to suit your business
