Warranty Details - Desktop & Semi-Industrial printers

TBW 3 Year Return To Base Desktop Service Agreement

Products covered: Desktop Printers from Zebra, Intermec, Toshiba TEC, Datamax, Citizen and TSC. (only £49.99 ex VAT)

And the following Semi Industrial printers: Zebra ZT Series, HC Series and S4M, Toshiba TEC SA4, Intermec PD Series, Datamax M Class, Citizen CL-S400, CL-S6621 and CL-S700. (only £69.99 ex VAT)

Benefits:

- Extension of parts warranty from 1 year manufacturer's warranty to 3 years provided by Barcode Warehouse
- Covering all parts inside the printer except for the consumables which are the Print Head and Platen Roller against defect or fault.
- Priority repair status within our workshop as a contracted customer, 3-5 day turn around (Up to 28 day turn around for OOW repairs)
- Telephone support available from our technical support department.
- No inspection fee or fitting charge if a consumable is required. You will only pay for the consumable item.

With Barcode Warehouse Xtracare cover, you have a peace-of-mind solution for the full duration of the agreement.
